

The Management & Technology Institute (MTI) in Switzerland is committed to:

- Providing its students with high quality online self-study education offerings, which meet their expectations.
- Operating the business to the systems required by ISO 9001
- Enhancing the skills of management and staff through review and actively pursuing an on-going training policy, the objective of which is to prepare staff to perform their work more effectively.
- Promoting the culture of continual quality improvements and the philosophy of getting things “right first time”.
- Rigorously controlling the supply, installation, and completion to programme of all projects.
- Promoting the quality management systems and ensuring implementation is achieved by internal auditing, management review, corrective, and preventive action.

Everyone is responsible for the quality within our non-profit association and for maintaining high standards.
